

Timberlane Music Association

Hello Timberlane Music Families,

TMA is holding another raffle to help students raise money for their Washington trip. The ticket sales will begin on December 11th and end on February 1st. This will allow the students to sell tickets over the holiday break. When students finish selling tickets, they will hand in their Ticket Raffle Form and the check for tickets to the TMA mailbox at the PAC. Students/Parents please do not hand in cash. Make a check made out to TMA for all cash collected. **We cannot accept cash.** They may hand in the slip any time before February 1st. We will collect the forms throughout the month of January. Please put both items into an envelope with **the student's name and contact number** before placing it in the TMA mailbox at the PAC. Thank You.
