

TIMBERLANE REGIONAL SCHOOL DISTRICT

PRESS RELEASE**Community Input Needed in Developing
Strategic Plan**

The Strategic Planning Committee of the Timberlane Regional School Board seeks community input in developing strategic planning goals specific to 21st Century learning and academics, facilities, and culture and climate.

A strategic plan is an official document that defines the mission, vision and beliefs of the school district. The document is to be used to plan for future initiatives that contribute to educational success. Community input is paramount.

Public forums will be held on November 1st at the Timberlane Regional Middle School, 44 Greenough Road, Plaistow and on November 27th at Sandown North Elementary School, 23 Stagecoach Road, Sandown. Sessions will run from 6:30pm to 8:30pm.

Members of the community may attend one or both of the sessions. Pizza will be served to forum participants.

Please consider contributing to this very important planning process.

Dr. Roxanne Wilson, Assistant Superintendent

Brian Boyle, TRSB Chairman

Strategic Planning Co-chairs
