Happy New Year to All!

I can't stop talking about the holiday concerts! I was fortunate enough to see at least a portion of all the Middle School as well as all the High School concerts. The caliber of our musicians and directors can only be described as fantastic. If you closed your eyes and just listened, you'd never believe you were at a middle school or high school concert. Congratulations and thank you for helping to make our holiday season joyful with the wonderful sounds of the season.

TMA was extremely successful with the Concert Basket Raffles this year. Thanks to the hard work and dedication of Priscilla Lane and Cathy Wood, we were able to sell raffles at both the Middle School and High School concerts. We should have a final figure available at the January meeting. Thanks to all who donated, purchased, and won these great baskets!

I've heard through the grapevine that some parents were unhappy with the calendar this year, stating that there was an overabundance of band photos. This is very disappointing, since Susan Smith, our calendar chairperson, works so hard to include all music students in the calendar. She even takes a day off from work and goes to the school to photograph the students in class! We'd love to have more photos of all the performing groups! Please, if you have photos that you'd like to share, contact a member of TMA. We'll be needing more photos for the yearbook that is presented to the seniors at the Awards Banquet in May.

January's meeting is back to the second Wednesday of the month - January 10 - in the Band Room at the PAC - 7:00 pm. See you then.
